A framed piece of calligraphy art is the central focus, featuring the text "it's the little things that matter most" in a black cursive font. The frame is black and is set against a light-colored wall. To the left, a white mountain silhouette is visible on a light blue background. To the right, two glass pendant lights hang from the ceiling. Below the frame, a wooden desk holds a pen holder with pencils, an open book, and a grey office chair is partially visible in the foreground. A wooden shelf with books is on the right side of the desk.
